

28 shooters shot True Grit, we added a new twist to the match this year. You shot two different types shotguns, and two different styles of shooting. We had Traditional and Gunfighter, Tranditonal and duelist. Frontier cartridge and traditional. It was hoot, and quite entertaining seeing how many ways a shooter could mess up. There were plenty of laughs, misses and P's. Congrats to Idaho Lead Slinger for shooting clean, with a Opps. The weather was great had a nice breeze. We would like to welcome two new shooters, Dangerous Dave and Silverado Sam. See you all next month at our 2nd annual Black Powder match.
